Sponsorship form

Event:.....

Oliver Curd sadly lost his life in November 2007, aged just 9 years old, having fought a 19 month battle with Ewings Sarcoma, a rare form of bone cancer in his skull. In the memory of Oli, his parents Sarah & Richard have launched a charity to provide a holiday home for families affected by childhood cancer to enjoy short breaks. Please support this worthwhile cause by sponsoring us.
Thank You

To sponsor please fill in this form or go to the www.justgiving.com website. On the front page of the website type in "The Oliver Curd Trust" in the find a charity box and press go. Then follow the payment instructions.
